WORK EXPERIENCE

EPROCESS CONSULTING

IT Support & Network Security Engineer Intern
12 Months

- Provided technical support to end-users, troubleshooting hardware and software issues.
- Collaborated with the Networking Team to resolve technical problems efficiently.
- Learned to work efficiently with the Sophos Firewall and Central security solutions.

FREELANCING & EXPERIENCE

2020 – Present

- Built my responsive portfolio website using React Js (<https://dze-maestro.netlify.app>).
- Completed programming courses on my skills. Collaborated in teams to build end-of-semester projects.
- Supported individuals in need with accurate information and resource referrals.

ZURI INTERNSHIP

Really Great Company
3 months

- Collaborated with a team to build a WebApp to help find pharmacies with specific drugs around you.
- Completed HTML/CSS/JAVASCRIPT related tasks.
- Frontend development.

SUMMARY

A frontend dev who can jump into different roles. Relate well to people of all backgrounds, pick up new skills quickly, and seek every opportunity to make lasting impacts. Good time management skills with a strong capacity to multi-task and prioritize work. Known for my hardworking ethic and exceptional people skills.
